Whether it's a dedicated room, a small study space or a nook in the dining room, it's important to be comfortable when working at home. Our collection of home office chairs marries supreme comfort and style, blending effortlessly with the rest of your interior. Soft cushioning and sublime lower-back support mean you can sit for longer periods of time in complete comfort.

Our pledge to the environment is through furniture that spans generations. When you purchase Stressless® furniture, you choose quality that will serve you through a lifetime. Whilst we are very proud that our factory in Norway is powered by 100% clean energy, we continuously thrive to improve our efficiency - any measure that enhances quality and reduces energy, time and wastage, is a step closer to creating superior furniture that endures.
