# Warranty

---

We provide a 1 year warranty against manufacturing or material defects.

The warranty period is effective from the day of purchase and applicable to the UK and Ireland. If you made your purchase from an authorised retailer, please return your product to them.

If you bought your product via our website; mybabiie.com, please contact our Customer Service team via email (info@mybabiie.com). We are happy to refund any product if you change your mind about your purchase (if purchased from our website, mybabiie.com.) As long as you tell us within 30 days of receiving your goods. They must be returned in an unused condition, in the original, undamaged packaging and complete with all original parts and accessories. Proof of purchase is required.

What is not covered by the Guarantee?

- Failure to follow My Babiie user guide and maintenance instructions.
- Damage caused by non domestic use
- General wear and tear, for example: worn wheels, damaged rain covers, worn/tear fabric.
- Deliberate damage, misuse or neglect.
- Product which has been modified, undergone an unauthorised repair or used a non approved spare part.
- Car seats which have been involved in an accident, we recommend all car seats should be replaced if involved in an accident.
- Cosmetic damage.
- Parts subject to normal wear and tear, foam handles, rubber elements of wheels, signs of fabric wear.
- Loss incurred as a result of not being able to use a product whilst waiting for a spare part or repair.

A repair service is available for any item that sustains accidental damage at any point during its lifespan. If the damages are not covered by our guarantee, we will provide a quote for the repair costs on an individual basis. If you find yourself in need of spare parts that are not covered by the warranty, you can purchase each spare part on our website (subject to availability).

To read more about your guarantee, please visit [mybabiie.com/guarantee](http://mybabiie.com/guarantee).

Our guarantee is provided by My Babiie Ltd, Registered address: 15 Commercial Road, Paddock Wood, Kent, TN12 6EN .

Your statutory rights are not affected by the guarantee.

Registering your Warranty

To register your warranty please visit [www.mybabiie.com/warranties](http://www.mybabiie.com/warranties)

Registering for your product warranty allows you to claim repairs or replacements if your product develops a fault. It will also help us contact you in the event of a product issue that you may need to be made aware of.

Problems or Questions

If you have any questions about your product then please drop us an email at [info@mybabiie.com](mailto:info@mybabiie.com) and we will get back to to you as soon as possible. Alternatively, you can chat to us on our Live Support Chat on our website [mybabiie.com](http://mybabiie.com) or contact us via our social media channels.

# What's in the box

---

1

2

3

4

5

6

7

8

1. Frame

2. Canopy

3. Front swivel wheels

4. Rear wheels

5. Bumper bar

6. Rear axle & 2 wheel caps

7. Cup holder

8. Raincover

# Pushchair assembly

- 1 Release the side lock and lift the pushchair up from the handlebars, (a). The frame will click into position once fully opened (b). Check that the frame is properly erected and secure before continuing.

- 2 Place the washers on the ends of the each rear axle bar then push on a wheel on each side.

- 3 On each side, put an additional washer on the axle after the wheel, then push one of the R-Clips through the hole in the axle to secure the wheel in place (a). Finally, place the wheel caps on the face of each wheel (b).

- 4** Insert the already assembled rear wheel structure into the pushchair frame. You will hear a click sound once successfully installed.

**5 Front wheels**

Place each front wheel into the holes located at the ends of the frame's front legs. You will hear a click sound once successfully installed.

**6 Canopy**

There is an attachment on each side of the canopy. Click these onto the pushchair frame as shown. Use the velcro straps on each side of the canopy to attach it further to the frame.

- 7** The canopy has three positions. Pull the canopy forward to completely unfold it and push it back to retract it.

**8 Bumper bar**

Fix the bumper bar to the front of the pushchair by lining it up each side and pushing into place (a). You will hear a click sound once successfully installed.

To remove it, press the buttons each side on the back and pull to remove.

**9 Footrest**

The footrest is foldable, press the buttons located on the back (each side), to unlock then move it to a comfortable setting.

## 10 Seat recline

Pull the lever on the back of the seat unit to lower the position of the seat (a). Simply push the seat back up to raise the recline position (b).

The fully reclined position is ideal for newborn babies (0+).

## 11 Handle bar adjustment

To adjust the handlebars, press the buttons on both sides and move it to your desired position.

## 12 Using the brakes

Press the brake bar located at the back of the pushchair to apply the brakes. To release them, lift the bar with your toes. Always apply the brake when placing the child in or out the pushchair.

### 13 Harness

Attach the side belts to both vertical straps, and push these to the centre buckle until you hear a **CLICK** (a). The safety harness can be adjusted to fit the comfort of your child.

To release the seat belt, press the center button (b).

### 14 Folding the pushchair

To fold the pushchair, lift the small buttons located on the sides to release the latch, allowing it to be folded down.

Lower the pushchair down until completely flat. Use the hook-shaped lock on its side, to keep the folded pushchair held together.

Before folding the stroller, the backrest must be completely reclined, horizontal or completely inclined.

# Pushchair warnings

---

## **IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY**

Please read these instructions carefully before use and keep them for later reference.

Remove all packaging and non-permanent labels and dispose of safely before using this product. The safety of your child could be put at risk if you do not follow these instructions.

This stroller is designed for 1 child from 0 months up to a weight of 22 kg/36 months.

**WARNING:** Never leave your child unattended.

**WARNING:** Uneven or excessive loading of items on or in the stroller may cause the product to tip and may cause injury.

**WARNING:** Maximum intended weight within the shopping basket is 3kg.

**WARNING:** Ensure that all the locking devices are engaged before use.

**WARNING:** To avoid injury ensure that your child is kept away when unfolding and folding this stroller.

**WARNING:** Do not let your child play with this stroller.

**WARNING:** Always use the restraint system.

**WARNING:** Check that the pram body or seat attachment devices are correctly engaged before use.

**WARNING:** Do not put hot drinks or liquids in the cup holder.

**WARNING:** This product is not suitable for running or skating.

**WARNING:** Do not insert any additional mattresses into the stroller.

**WARNING:** Accessories which are not approved by the manufacturer shall not be used.

**WARNING:** This pushchair has been designed for one child and shall be used for the transport for only one child!

**WARNING:** Always use the crotch strap in combination with the waist belt.

**WARNING:** This stroller does not replace a cot or a bed. Should your child need to sleep, then it should be placed in a suitable cot or bed.

**WARNING:** Only replacement parts supplied or recommended by My Babiie shall be used.

**WARNING:** Any load attached to the handle and on the back of the backrest and on the sides of the stroller will affect the stability of the stroller.

**WARNING:** The parking device shall be engaged when placing and removing the children.

EN 1888-1:2018+A1:2022 and EN 1888-2:2018+A1:2022 approved

# Partes incluidas

1

2

3

4

5

6

7

8

1. Estructura cochecito

2. Capota

3. Ruedas delanteras

4. Ruedas traseras

5. Barra frontal

6. Eje ruedas traseras: + 4 arandelas + 2 trabas + 2 tapas

7. Posavasos

8. Protector de lluvia

- 1** Libere la traba lateral con forma de gancho y levante la estructura desde el manillar hacia arriba, permitiendo que se despliegue y sus partes se unan (a). El CLIC confirmará que la estructura está armada y segura. Antes de su uso, siempre compruebe que haya quedado fija (b).

- 2** Coloque las arandelas en la barra de aluminio del eje de las ruedas, luego inserte las ruedas correspondientes en cada lado.

- 3** Vuelva a colocar un par de arandelas justo sobre las ruedas. La barra de aluminio posee un pequeño orificio en sus extremos, coloque los ganchos que mantendrán segura la rueda (a). Finalmente, coloque las tapas en cada extremo (b).

- 4** Inserte la estructura inferior ya armada con las ruedas, en la parte baja trasera del cochecito, asegurándose de escuchar un CLIC.

- 5** **Ruedas delanteras**  
Coloque cada rueda delantera en los orificios ubicados en los extremos delanteros hasta escuchar el CLIC.

- 6** **Capota**  
Los laterales de la capota poseen un gancho de cada lado. Enganche éstos sobre el caño del cochecito para colocar la capota en su lugar.  
Los laterales de la misma, se pueden asegurar con el velcro que rodeará el caño del cochecito.

- 7** La capota posee tres posiciones: completamente plegado o desplegado. Deslice la capota hacia adelante para desplegarla, o viceversa, para dejarla completamente plegada

**8 Barra frontal**

Coloque la barra frontal en la parte delantera del cochecito, introduciendo sus laterales en los orificios hasta escuchar un CLIC.

Para quitarlo, presione los botones en la parte de abajo, liberando la barra.

- 9** El reposapiés es rebatible, presione los botones ubicados en su parte trasera, por debajo, para destrabar el soporte y moverlo a comodidad del niño.

## 10 Reclinación del asiento

Tire de la palanca en la parte posterior de la unidad del asiento para bajar la posición del asiento (a). Simplemente empuje el respaldo hacia arriba para elevar la posición reclinada (b).

La posición completamente reclinada es ideal para bebés recién nacidos (0+).

11 Para ajustar el manillar, presione ambos extremos del mismo para que la posición se pueda ajustar a la altura deseada.

12 Presione la barra de freno ubicado en la estructura inferior del cochecito, para dejar las ruedas traseras fijas. Levántelo para destrabar las mismas. Siempre active el freno a la hora de colocar al bebé en el rodado

**13** Una los cinturones laterales a los dos superiores, y éstos al principal hasta escuchar un CLIC. El cinturón de seguridad es ajustable, tirando de las correas y ajustándolo a la comodidad del niño y su cuerpo (a). Para liberar el cinturón de seguridad, presione el botón central del cinturón y libere cada una de las partes (b).

**14** Para plegar el cochecito, levante los pequeños botones ubicados en los laterales, para liberar el seguro de la estructura y permitir plegarlo.

Levante el cochecito y la estructura bajará hasta quedar plegado. Utilice el seguro con forma de gancho en su lateral, para mantener el plegado en su lugar.

Antes de plegar el cochecito, asegúrese que:

El respaldo tiene que estar completamente recostado, horizontal o inclinado totalmente.

Recomendamos hacerlo frente al cochecito, siendo así la manera más cómoda de plegarlo (mirando hacia el asiento).

## **IMPORTANTE, CONSERVAR PARA FUTURA CONSULTA: LEA DETENIDAMENTE**

Lea atentamente estas instrucciones antes de usarlas y consérvelas para consultarlas en el futuro.

Retire todos los embalajes y etiquetas no permanentes y deséchelos de forma segura antes de usar este producto. La seguridad de su hijo podría correr riesgo si no sigue estas instrucciones.

Este cochecito está diseñado para 1 niño desde 0 meses hasta un peso de 22 kg/36 meses.

**ADVERTENCIA:** Nunca deje a su hijo desatendido.

**ADVERTENCIA:** La carga desigual o excesiva de artículos sobre o dentro del cochecito puede hacer que el producto se incline y cause lesiones.

**ADVERTENCIA:** El peso máximo previsto dentro de la cesta de la compra es de 3 kg.

**ADVERTENCIA:** Asegúrese de que todos los dispositivos de bloqueo estén activados antes de su uso.

**ADVERTENCIA:** Para evitar lesiones, asegúrese de mantener alejado a su hijo cuando despliegue y pliegue este cochecito.

**ADVERTENCIA:** No deje que su niño juegue con este cochecito.

**ADVERTENCIA:** Utilice siempre el sistema de retención.

**ADVERTENCIA:** Compruebe que el cuerpo del cochecito o los dispositivos de fijación del asiento estén correctamente enganchados antes de su uso.

**ADVERTENCIA:** No coloque bebidas ni líquidos calientes en el portavasos.

**ADVERTENCIA:** Este producto no es apto para correr o patinar.

**ADVERTENCIA:** No inserte ningún colchón adicional en el cochecito.

**ADVERTENCIA:** No se deben utilizar accesorios que no estén aprobados por el fabricante.

**ADVERTENCIA:** ¡Este cochecito ha sido diseñado para un niño y se utilizará para el transporte de un solo niño!

**ADVERTENCIA:** Utilice siempre la correa de la entrepierna en combinación con el cinturón.

**ADVERTENCIA:** Este cochecito no sustituye a una cuna ni a una cama. Si su hijo necesita dormir, deberá colocarlo en una cuna o cama adecuada.

**ADVERTENCIA:** Sólo se utilizarán piezas de repuesto suministradas o recomendadas por My Babiie.

**ADVERTENCIA:** Cualquier carga sujeta al asa y en la parte posterior del respaldo y en los lados del cochecito afectará la estabilidad del cochecito.

**ADVERTENCIA:** El dispositivo de estacionamiento deberá estar activado al colocar y retirar a los niños.

Aprobado EN 1888-1:2018+A1:2022 y EN 1888-2:2018+A1:2022

# Pushchair Do's & Don'ts

## Do use your brakes!

Ensure the parking brake is engaged during the loading and unloading of children & when the pushchair is stationary.

## Do always use the restraint system!

Ensure that the child restraint system is correctly fitted at all times.

## Do keep your pushchair clean and dirt free.

Use a clean white cloth, warm water and a mild detergent to keep your pushchair clean.

## Do always keep two hands on the handles when pushing.

You could lose control of your pushchair if not steering with both hands.

## Do follow manufacturers instructions when assembling and using your pushchair.

For safety, please refer to our instruction manuals or contact customer support if you're unsure.

## Don't use your pushchair up and down stairs!

Don't use your pushchair up or down stairs or to bump kerbs.

## Don't hang bags off the handles!

Bags and other items should not be hung from the handles as this can affect the stability of the pushchair.

## Don't run or skate with your pushchair!

Our products are not suitable for running or skating.

## Don't carry the stroller with baby inside!

Our pushchairs are not designed to be carried with your baby inside them.

## Don't put hot drinks in the cup holder.

Hot drinks burn and can easily spill from the bottle holder.

## Don't jetwash your pushchair.

Some jet washers are very powerful and could damage parts of your pushchair!

## Don't leave your child un-attended in their pushchair.

Always keep your child and pushchair in view to avoid accidents.

## Don't treat your pushchair like a trolley.

Don't load your pushchair up with all your shopping as they are not built for this purpose and could cause damage.

## Don't use your pushchair as a bumper cart!

Damage can easily occur if your pushchair is knocked into other things.

## Don't smoke around your pushchair.

We wouldn't want your pushchair or little one getting hurt or damaged!

## Don't leave your pushchair unattended on extreme gradients.

Even with your brakes on your pushchair is at risk from tipping or sliding on extreme gradients!

## Don't sit in the pushchair unless the user is under the guideline weight.

Our pushchairs are designed to hold a maximum weight. If exceeded this will cause damage!

## Do enjoy your My Babie product!

Go out and have fun adventures with your little one!
