

Neptune™ by Peerless-AV® Introduces Shade Series Outdoor TVs for Outside Entertainment
Peerless-AV® brings its all-weather TV technologies to yards, patios and outdoor spaces across North America with new launch of Neptune™ Shade Series Outdoor TVs

AURORA, Ill – April 8, 2021 – Neptune™ by Peerless-AV®, an accomplished designer and manufacturer of outdoor displays and TVs to elite applications, is pleased to announce the launch of [Neptune Shade Series Outdoor TVs](#). The new Shade Series product line includes 55", 65", and 75" outdoor TV options, all of which come with a free Neptune Outdoor Tilting Wall Mount (\$199 USD value), making outdoor entertainment dreams a reality for homes across North America.

An all-season solution for year-round outdoor entertainment and living, Neptune Shade Series Outdoor TVs can be easily installed in backyards, patios, outdoor kitchens, pool areas, and more. Created with industry leader Peerless-AV's innovative technologies and maintenance-free construction, the Neptune Shade Series can withstand harsh weather elements such as rain and snow as well as operate in temperatures ranging from -22°F to 122°F (-30°C to 50°C).

Neptune Shade Series Outdoor TVs, powered by LG Displays, are crafted with best in class features and video quality. The TV's high dynamic range offers brighter highlights with more contrast, resulting in deeper and richer colors for a more realistic, natural image. Complete with 4K, UHD resolution and an IPS panel to boost color performance and consistency, Neptune Outdoor TVs offer 178-degrees of viewing angles so consumers can enjoy stunning views from anywhere in their backyard oasis.

The Neptune Shade Series Outdoor TVs also give consumers the freedom to bring their own streaming device to stream binge-watching content right in their backyard. Fan favorites are just a click away by simply plugging in the user's preferred streaming device into the input compartment on the back. The TV's freePATH™ technology allows WiFi signals within range to easily connect to the device for SMART TV compatibility.

"The idea of making your home your own version of paradise has never been more prevalent than in recent time," stated Nick Belcore, Executive Vice President, Peerless-AV. "We're proud to be able to utilize our nearly 80 years in the AV industry with Peerless-AV to construct a product that is as durable as it is technologically innovative, and make it widely available for easy home installations. With the Neptune Shade Series Outdoor TVs, quality outdoor entertainment, that has been used in outdoor bars, stadiums, and resorts, is within reach for your own outdoor space."

Neptune Shade Series Outdoor TVs are available in 55", 65", or 75" sizes and their respective mounting solutions can be found at neptuneTV.com, Amazon, [B&H Photo \(US\)](#), Costco (Canada), [The Brick \(Canada\)](#), [Tanguay Electronics \(Canada\)](#), [Visions Electronics \(Canada\)](#), and through authorized distributors.
