MAINTENANCE:

FOR NO COATED ITEMS:

- Uncoated wood quickly loses its aesthetic appearance, so we recommend coating the product with oil, varnish, paint, etc. to protect the wood from external influences.

SAFETY PROTECTION:

- **DO NOT** wash safety protection in higher than 30° temperatures or it may shrink and will become unusable.
- **DO NOT** iron safety protection or it may shrink and will become unusable.

WARNING!

- **The tower can only be used with adult supervision!**
- To insure your child's safety and for your own peace of mind, be sure to follow instructions properly. Failure to follow these warnings and assembly instructions could result in serious injury.
- Before each usage or assembly, inspect the tower for damaged hardware, loose joints, missing parts.
- Before using the tower make sure that child can stand stable in it.
- Safety protection is designed for use with the highest and middle position of standing step only. **Make sure that it is properly installed before using!**
