

Foldable Helper Tower

Natural (HTF-02-NT)

White (HTF-02-WH)

Gray (HTF-02-GY)

Black (HTF-02-BK)

Safety Information

SUPERVISION: Always supervise children when they are using the helper tower. Do not leave them unattended and ensure that they do not climb or stand on any part of the tower other than the standing platform.

Make sure that all screws and bolts are securely tightened before use. Check them regularly to ensure that they remain tight over time.

Only use the helper tower for its intended purpose. Do not use it as a step ladder, work platform, or anything else that it was not designed for.

Only allow one child at a time to use the helper tower. Do not allow multiple children to use it at the same time, as this could cause the tower to become unstable.

Ensure that children wear appropriate clothing while using the helper tower. Loose clothing, long sleeves, and dangling jewelry could become caught on the tower and cause injury.

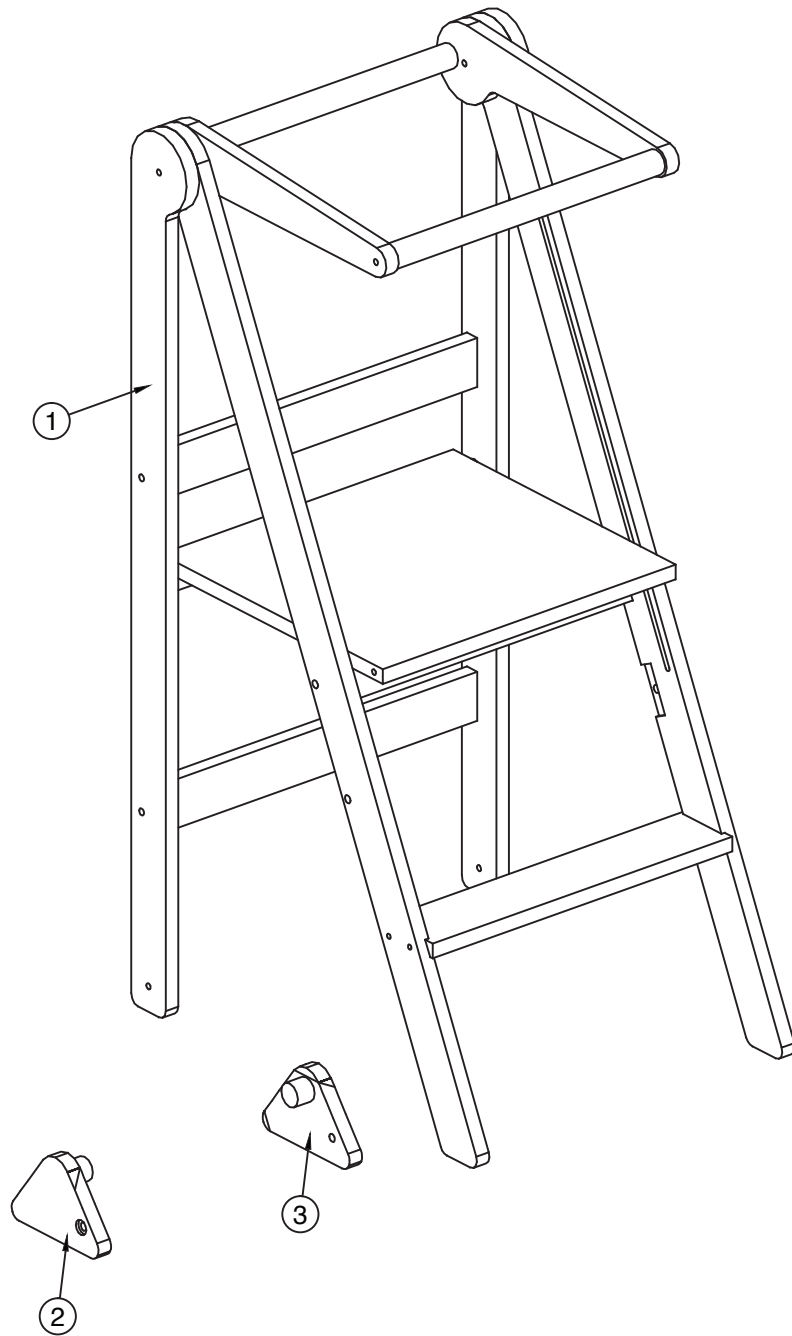

Do not modify the helper tower in any way. This could compromise its stability and cause injury to children.

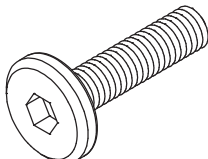

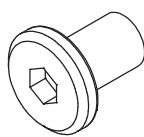

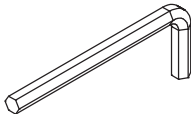

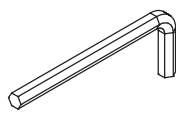

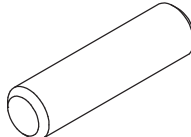

When not in use, store the helper tower in a safe place away from children. Ensure that it is not accessible to children who could climb on it or otherwise use it in an unsafe manner.

LOCATION / PLACEMENT: Ensure that the helper tower is placed on a flat, level surface. Do not place it on an uneven or unstable surface that could cause the tower to tip over.

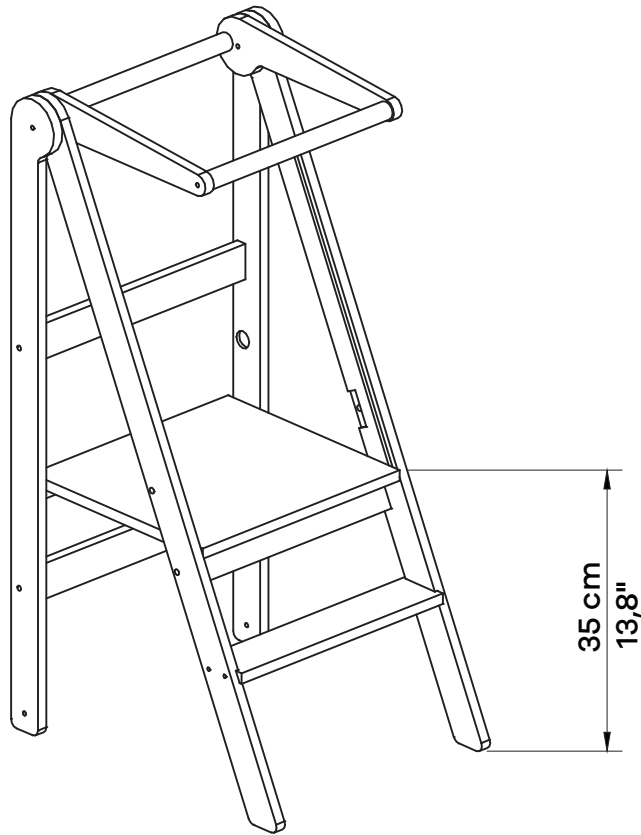

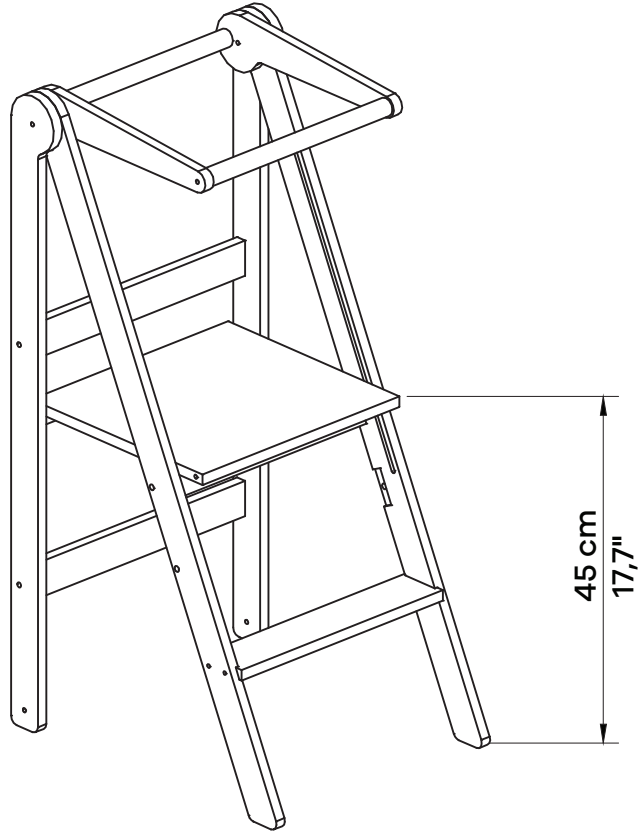

Keep the helper tower away from any heat sources, including stoves, ovens, and fireplaces. Do not allow children to use the tower near any open flames.

INDOOR USE ONLY: This product is intended for indoor use. It can be used outdoors but will wear quicker. Never leave outside for prolonged periods, as the sun and moisture may compromise the safety and longevity of the product.

Maintenance

This product was designed and manufactured with excellent craftsmanship using high-quality materials.

Proper care and maintenance is advised to ensure safe, long-lasting use.

If you wish to remove dirt from product parts, use damp cloth or sponge. Dip a clean cloth or sponge into warm water, wring out any excess water and gently wipe the surface of the helper tower. Once it has been cleaned, use a clean, dry cloth to wipe away any remaining moisture. Allow the helper tower to air dry completely before using it again.

Warranty

Our helper tower comes with a 2-year structural warranty. However, the warranty does not cover natural wear and tear or any damage that is caused by misuse of the helper tower, or damage that occurs after the initial 2-year period has elapsed. This product is intended for indoor use only.

Product safety and customer satisfaction is our priority. We highly value your opinion. If you ever have any questions, need help, have damaged or missing parts, don't hesitate to contact us at support@legandgo.com
