

framery Q

The Shape of Silence ⁷

The Framery Q offers a quick escape to privacy in an open-plan office. Due to the great sound insulation, the meeting pods can be installed right next to workstations. Strategically placed quiet spaces create an open office environment without noise problems, increasing employee satisfaction and productivity. Framery Q is designed for up to four users.

Framery Q features several variations of furniture for different user needs. Automatic air ventilation creates a fresh and comfortable working environment. The product is easy to assemble and relocate when necessary.
