Whiteboard

Designed for creative torrents, flows and waves. Make everything visible: words, sketches, daydreams. Tools for professionals made to last for decades.

OUR WHITEBOARDS

Our ceramic steel whiteboards are of the highest quality and include a 30-year warranty on the writing surface. The steel sheet core is made of 50% recycled material and the boards are up to 99% recyclable. All boards are individually packaged and include fittings for wall mounting.

When ordering chalkboards or whiteboards in other colours than white (NCS S 1002 G50Y), please add one of the following prefixes in front of the article number:

BE = beige (whiteboard), NCS S 1005 Y20R
G = green (chalkboard), NCS S 7010 G10Y
GG = graphite grey (chalkboard), NCS S 7500 N
B = blue (chalkboard), NCS S 5040 R80B
GR = light grey (whiteboard) NCS S 2000N
S = black (chalkboard), NCS S 8500 N

For matte or semi-matte surface, please add one of the following prefixes to the article number:

S = Semi-matte
M = Matte

Since writing is difficult to erase on a matte surface, we don't recommend matte surface as a writing board.

AIR

A white or soft grey magnetic ceramic steel writing board with bevelled edges coordinated to the surface, Air provides an alternative to a traditional frame creating a sense that the board is floating on the wall. Can be complemented with textile noticeboards (Air Textile).

Concealed fittings

SILK WALL

Silk glass is a state-of-the-art material with a smooth, silky matte surface. No reflections and just as good for writing and erasing as any other glass, the unique Silk glass surface gives our 24 selected colours a deep appearance and a rich, silky hue that responds to changing light throughout the day. This makes Silk Wall a revolutionary matte writing board.

FRAME WALL

A premium writing board with a softly rounded bentwood frame available in grey lacquer or oak veneer finish. The depth of the frame outlines the board and doubles as a natural pen tray. The glass is available in any of our 24 standard colours. For a monochrome appearance we recommend colour Soft - 150 combined with a grey lacquer frame. Designed by HALLEROED and MATTI KLENELL.

FRAME MOBILE

A double-sided glass mobile writing board with a bentwood frame. The softly rounded frame defines the work surface and doubles as a handle when moving the board between locations. Frame mobile is available in two variations, a model with coordinating light grey feet, castors and frame and another with solid oak feet, black castors and matching oak frame. The glass is available in our carefully selected 24 standard colours. For a monochrome appearance we recommend colour Soft - 150 combined with grey feet and matching frame. Designed by HALLEROED and MATTI KLENELL.

Noticeboards

The precision of a sharp pin, nailing a piece of paper. Sketches on the board where they are visible. When ideas reach surfaces, they become reality.

AIR BULLETIN

This frameless noticeboard in Bulletin Board (linoleum) material has bevelled edges and concealed fittings, creating a sense that the board is floating on the wall. Bulletin is self-healing which keeps the board looking smarter for longer. The Air Bulletin Board is available in 8 standard sizes and 15 colours.

Info

AN INTRODUCTION

You want a space of your own, a place for your thoughts, your ideas and your words. LINTEX manufactures writing boards for schools and offices but bring to this a stringency and subtlety like a well-developed fashion line. They add style and design expertise in a world in which aesthetics have, for years, taken a back seat. Whiteboards, office screens and sound absorbers have been the anonymous carthorses of schools and conference premises. LINTEX have changed all that, aiming to surprise and challenge the image of what a writing board can be.

LINTEX maintains its very own attitude in this world of non-design. By working with a number of Scandinavia's leading designers they give writable surfaces a stylish and functional beauty by using tempered glass, high end textiles, solid wood and enamelled steel. The focus on design and materiality heightens function of the products, making them a delight to use. The products deliver a simple function, but they do it with elegance. The level of design also improves what is written on the boards. Beautiful tools enhance creativity, out-of-the-box thinking and new options. That is why the products are so popular and that is why LINTEX is market leader in its field. Thinking big and never be afraid of being different.

LINTEX is a family business founded in 1983. All products are sold under the LINTEX brand name. Head office and factory are located in the town of Nybro in southern Sweden, a district associated with inventiveness and with Swedish handmade glass. LINTEX have subsidiary's, sales offices and agents elsewhere in Scandinavia, Europe and various parts of the world.

SOLAR POWER AND SUSTAINABILITY

Working sustainably is essential. LINTEX is constantly engaged in improving its environmental profile. Today the manufacturing is energy neutral through the use of geothermal heating and some 3,200 solar panels installed on the factory roof in late 2019, producing 1.1 million kWh annually. Solar panels and geothermal heating together contribute as much electricity and heat as the factory actually uses. The system is durable and can carry on supplying green energy for decades to come. All products are manufactured by people with good working conditions and pay.

By controlling the production, LINTEX can decide which raw materials and processes to use from a sustainable perspective. But also, the design itself have to be long-term. Better-designed products last longer from an emotional standpoint and can be reused in new environments. If a product survives from one office to another its environmental footprint become substantially lower. Great design and durable quality are never out of date.

LINTEX work closely with the Swedish reference and labelling system Möbelfakta and the Sunda Hus Environmental Data system. LINTEX is also ISO 14001-certified.

SALES AND DELIVERY TERMS

Great Britain and Northern Ireland (UK):

Free Delivery (DAP) on orders over £ 1000 net value
For orders less than £ 1000 net value a freight cost of £ 100 is charged.

Additional Freight Services:

Delivery Notification (phone/e-mail) £15 per shipment
Express Delivery, Fixed Date Delivery, Second Delivery Cost, Etc. £100 per shipment

RESERVATION REGARDING OWNERSHIP

We reserve the right to hold products until payment terms are agreed. All goods remain the property of Lintex until payment is settled in full.

DELIVERY TIMES

For stock products: 5-8 working days. For all other products: Please enquire directly with your local agent or Lintex representative as delivery times may vary. All estimated delivery times are calculated from the date the order is placed. The confirmed shipment date is when the goods leave the factory.

QUOTE

Unless otherwise stated a quote applies for 60 days. Orders are accepted once confirmed in writing by a Lintex representative.

RETURNED GOODS

Standard stock products may be returned within 14 days of delivery. The customer is responsible for the cost of returning the goods to the factory. All goods must be returned in their original, undamaged packaging. Any damage incurred during transit will be charged to the customer. Before returning any goods, a Lintex representative must be contacted and a returns note obtained. Lintex will charge the customer a returns fee of 20% of the total value of the goods. An order may be cancelled within three working days of order confirmation. No refunds will be issued for non-stock products that have already been manufactured.

CLAIMS

If upon arrival the product is damaged, this shall be noted on the consignment note before receipt is acknowledged. The responsible shipping agent shall be notified of any damage claims. Claims can be filed 7 days after receipt in the event the damage was not discovered upon arrival. Other claims due to obvious shortcomings on our part shall be submitted in writing to Lintex.

PAYMENT TERMS

30 days from invoice. In case of delayed payment, late charges of 8% will be debited reference interest rate of the Swedish Central Bank.

CONDITIONAL SALE

Delivered goods remain the property of Lintex until full payment has been made.

PRICES

We reserve the right to adjust prices due to costs of raw materials and fluctuations in currency. Articles can also be subject to structural and design changes. All prices are excluding VAT/sales tax.

GUARANTEE

Lintex provides a 2-year guarantee on all products against manufacturing defects. The guarantee period begins from the date of delivery. The guarantee is subject to the Lintex care and maintenance guide being followed by the customer. All products should be installed in an environment kept at room temperature, not exposed to abnormal wear and tear or damaging treatment. When products are mounted and assembled by an installer recommended by Lintex, the 2-year guarantee commences from the date of approved inspection.
