

# SIMPLE. SUSTAINABLE. CREATIVE.

CUSTOM BRANDED CAMERAS

## We Are Paper Shoot

Paper Shoot is an incredible digital camera brand from Taiwan that made their first stone paper camera in 2013. Since launching in North America in 2020 Paper Shoot has seen viral global success. Our eco-friendly digital cameras are easy to take anywhere you go, creating an instant, completely customizable marketing tool for your business.

## What is a Paper Shoot Camera? →

The Paper Shoot camera is a revolutionary product that redefines photography with its unique blend of **eco-friendliness**, **affordability**, and **innovative** design. It is highly regarded for its ability to merge the nostalgia of film photography with digital convenience, providing an unparalleled user experience.

EXPERT CUSTOM DESIGN

CUSTOM BRAND EXPERIENCE

Perfect for gifting to employees or clients, these cameras capture memories while showcasing your brand with every click. It's the ultimate experience of creativity and brand engagement.

# Customization Options

We're more than a pretty case

Our customization options extend beyond the obvious, the case. We can curate custom packaging, case materials, filters, watermarks, pre-loaded content, shutter sounds, music, video and more!

Design the Front

Design the Back

## Camera Cases

We have partnered with many amazing brands and companies worldwide to customize their Paper Shoot cameras. There's a lot of freedom to design cameras to fit your brand, special event, theme, and more.

## Packaging

You also have the flexibility to customize your packaging. We offer sustainable cardboard packaging, beautifully engraved wooden boxes, and fully printed custom packaging to meet your needs.

## Case Materials

Our Stone Paper Cases offer the most flexibility for printing. We also provide upcycled materials like wood cork, vegan leather, and acrylic.

## Filters, Watermarks, and More!

We'll help you create an unforgettable brand experience with filter cards, watermarks, unique shutter sounds, pre-loaded branded content, and an extensive range of accessories. Our cameras have 4 standard shooting modes, but we're ready to tailor them to your preferences. Contact us today to take your brand to the next level!
