

T.C BOXES PANTRY SLIDE

For tourers with a T.C Boxes canopy, the Pantry Slide is an invaluable vertically mounted space-saving storage solution that features three built-in shelves – one large and two smaller – to cater for kitchen items such as oil and coffee, mugs and cups, tomato sauce and paper towels.

Manufactured from the 3mm aluminium flat plate, the Pantry Slide has a reversible backing plate designed to fix to either side of the slide allowing for flexible mounting options. The base of the Pantry Slide is elevated so it sits in line with the lip of the canopy, while the angles provide a seamless look and easy installation in most T.C. Boxes canopies. The party is finished in either alloy or UV-stabilised powder coat in Black Scylla or Horizon White Scylla.

External dimensions are 830mm (l) x 210mm (w) x 660mm (h) and the pantry is covered by a 24-month warranty. Note: the Pantry Slide is not compatible with TC

Boxes' 800mm canopy due to a different flooring structure.

RRP: \$499 (alloy); \$599 (powder coat)
