Pumpkin Enzyme Treatment 5%
Desert Aloe & Jojoba Moisture Mask
Prickly Pear Seed Serum
Seaweed and Clay Mask
Eye Repair Serum
Desert Aloe and Jojoba Cream
Chemical Free Spf 30

Supplies Needed:

Warm Towels
Roto brush or manual brush
Steamer
Fan brushes
Facial sponges
100% cotton eye pads

1. Cleanse with desert aloe & jojoba cleanser. Using deep cleansing techniques remove with warm towel.
2. Perform skin analysis deciding on what is best for client. Turn on Steamer at beginning of skin analysis. *If you do not have a steamer, have plenty of steamed towels on hand. This will help open pores and drive the beneficial nutrients deeper into skin for optimal results.
3. Second cleanse with Mature Skin Cleansing Pads. No need to rinse or remove.
4. Apply 1 Vitamin Boost Tonic Pad-this helps start pushing up the dead skin cells to help prep skin for next step. Please make sure to lightly sweep don't rough skin too much.
5. Apply thin layer of desert aloe & jojoba scrub. Use circular motion under steam to help lift off dead skin cells. May use roto brush or manual brush at this time.
6. Remove with warm towel while still under steam.

7. Mix 5 drops of Glycolic Acid 70% with 1 teaspoon of Pumpkin Enzyme Treatment 5%. Apply thin layer onto skin avoiding under eye area. May steam up to 2 minutes. Take steam off skin and let sit up to an additional 3 minutes. Watch skin reaction to decide when appropriate time to neutralize. *Clients skin type, skin issues, use of retin A or waxing previous should have been determined during skin analysis. Do not use 70% Glycolic on clients whose skin analysis counter indicates.
8. Remove with warm towel. Neutralize skin
9. Gently perform extractions and tone skin with Vitamin Boost Tonic Pads. If you have the Prickly Pear Toner may use this as well.
10. Massage skin
11. Remove with warm towel and tone
12. Apply a thin layer of Seaweed and Clay Mask. Leave on for 5 to 10 minutes.
13. Remove with warm towel
14. Apply thin layer of Prickly Pear Seed Serum and Eye Repair Serum.
15. Apply Desert Aloe & Jojoba Moisture mask directly on top of Serum (This will help to drive serums deeper into skin). Leave on 7-10 minutes. May also use gauze and multi-function unit at this time to help push products into the skin.
16. Remove with cool sponges and tone.
17. Apply Prickly Pear Seed Serum, Eye Repair Serum and Desert Aloe and Jojoba Moisturizer and let sit for 2 minutes.
18. Apply Chemical Free spf 30
19. Fill out Skincare Prescription sheet
