If you don't have the time, skills or personnel required to teach a new sewing class right now think about letting Craftsy do the work for you. As a Craftsy Connect shop you earn 30% revenue share from selling online classes, and your customers have access to world-class sewing instructors. With more than 40 sewing and 50 quilting classes to choose from, there's something for everyone. Craftsy's 1.6 million registered users representing 200 countries have downloaded over 2 million classes since Craftsy began in July 2011! Find out how you can offer these classes and more to your customers by visiting www.craftsy.com/connect
