### Marzipan paste

Coccoina almond-scented paste may not have you reverting back to glue-eating school days, but you will be craving some crafting when you get your fingers on this nontoxic, nonsolvent, acid-free adhesive. \$8; [seejanetwork.com](http://seejanetwork.com)

### Floral fabrics

Whether they're hanging from your clothesline, windows, or walls, these graphic fabrics boasting bright buds look great for summer. Use them for punchy pillows or mount them in embroidery hoops for über easy and inexpensive wall art.
