

KEEPING IN TOUCH

Let me introduce you to my daughter, Meggie. She orchestrates this "Keeping in Touch" portion of my magazine. Here is where YOU are the author! Below, Meggie picks out certain topics for upcoming issues, hoping to inspire more in-depth musings from you.

Mary Jane

My sister-in-law, Ashley, made our girls (Stella, Mia, and Adria) adorable outfits using organic fabric from Monaluna (www.monaluna.com). The pattern for the dresses came from the book shown here, *Little Girls, Big Style*, from one of our advertisers, C&T Publishing, p. 25.
