Stock your sewing room with the latest notions, tools, fabric, books and more.

Bestow cute-as-can-be woodland charm on your projects with Fox Hollow from Monaluna. Owls, foxes, toadstools, acorns and elves dance across the 100% organic cotton fabric that would make a sweet baby blanket or little girl's patchwork skirt. monaluna.com

Take your fabric stash on-the-go with Swatch Buddies Reusable Fabric Swatch Fan Kit. Arrange swatches any way you like on the ring holder, and then add important information, such as fabric content or manufacturer, to the optional labels. Eliminate the guesswork of finding matching fabric, thread and trim by having your swatches on hand when you shop. shopsewitall.com

Save your fabric scissors when cutting through adhesive materials or fabric tape by adding Havel's Non-Stick Scissors

to your tool kit.
