Sewing Instructions

Making the HST's

1. Place one 3" fabric A and B square right sides together. Draw a diagonal line from the top right to the bottom left.

Draw a diagonal line from the top right to the bottom left.
2. Sew a scant 1/4 inch away from either side of the line. Iron the block, then cut it in half on the line you drew to create 2 HST's.

3. Repeat on the remaining 3" squares of fabric to create four blocks. Trim to 2-1/2" square and press as desired.

Making the strip set

1. Place one 1-1/2" x 10" strip of fabric A and B right sides together.

2. Sew a scant 1/4" seam on one long edge. Open and iron to the dark side.

3. Cut the strip set into four 2-1/2" squares.

Assembling the block

1. Arrange the blocks as depicted. Sew into rows, press as desired then sew the rows together. Unfinished size should measure approximately 6-1-2".
