

Materials

 1/3 yard of Fabric A

 1/3 yard of Fabric B

 1/3 yard of Fabric C

 1/3 yard of Insul-Fleece

 1/3 yard of Cotton Batting

Other Supplies

You may require other basic sewing and quilting supplies such as erasable marking pens, all-purpose thread to match the fabrics, sharp fabric scissors, tracing paper, a rotary cutter, ruler, and mat.

Double Foldable Oven Mitt

S E W E R S C L U B

Sewing, delivered.

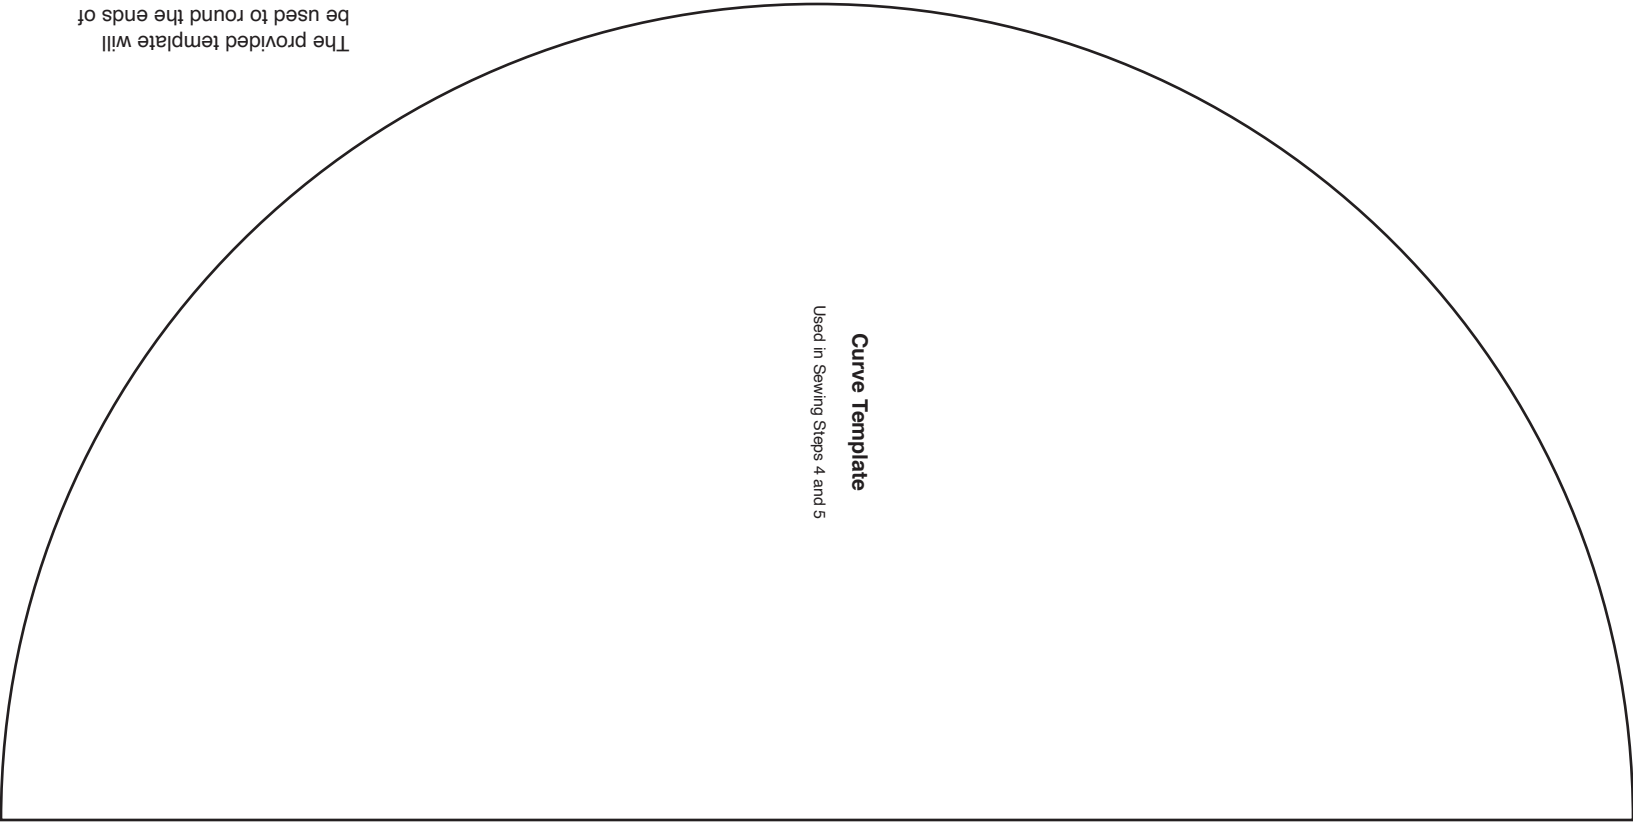

Introductory Note

The Double Foldable Oven Mitt is an extremely easy project with only 11 short steps. All instructions are included on the back of the cover page in color with the curve template on the inside of this page. As always the video instructions can be accessed through the included link. Due to the thickness of the layers (insul-fleece, batting, and fabrics), a walking foot is recommended to be used when sewing this project.

8 1/2"

Curve Template

Used in Sewing Steps 4 and 5

The provided template will be used to round the ends of the Oven Mitt. If you do not wish to cut the original paper piece, make a copy of the piece to be used later.
