Garmin PowerSwitch™ Product Specifications		
Physical & Performance:		
GPS	No	
Dimension	4.9"W x 1.3"H x 3.0"D (12.5 x 3.2 x 7.5 cm)	
Waterproof	IPX7	
Weight	10 oz (283 g)	
Maps & Navigation:	10 02 (200 g)	
Navigate-a-track navigation	No	
Preloaded street maps	No	
Ability to add maps	No	
Features:	110	
Ultimate Public Campgrounds	No	
Clarity ™ HDR	No	
Max amps per switch output	30 amps	
Wi-Fi® map and software updates	No	
Automatically identifies areas of		
biggest time gain	No	
Sunlight readable and weather resistant	No	
Round trip routing	No	
Group Ride voice communications	No	
Includes automotive mount	No	
Supports multiple users	No	
Speed limit changes	No	
Speed limit indicator (displays speed limit for most major roads in the U.S. and Europe)	No	
IFTA fuel logging capability	No	
Max number of controllers* for pairing with a PowerSwitch device *Controller is defined by a user's smartphone, mobile device or compatible Garmin navigator (sold separately)	4	
Magnetic Mount	No	
Access to live services via app (traffic, weather, etc.)	No	
Stores history of all on-track performance	No	
Interior and exterior recording	No	
Group Ride update rate	No	
Rider alert warnings for sharp curves,		
state helmet laws, speed cameras and more	No	
Preloaded topographical maps	No	
Preloaded private land parcel maps	No	
Service History Log	No	
Garmin Connect™ compatible	No	
Current weather plus 5 day forecast via Wi-Fi	No	
Number of hardwire inputs	2	
Track recorder (breadcrumbs)	No	
(/		

Preloaded USFS Roads and Trails,	
including motor-vehicle-use-maps for	
motorcycle, ATV, SXS and full-size	
4x4	No
Simple truck profile	No
VIRB® control	No
LiveTrack via app	No
RV Parks & Services directory	No
GLONASS	No
Downloadable Satellite Imagery	No
Preloaded global track database	No
Voice-activated navigation (operate device with spoken commands)	No
TripAdvisor® Traveler Ratings	No
True Optimal Lap™ with video	No
Headphone jack/audio line-out	No
Control music and media from	
smartphone or MP3 player	No
Number of switch outputs	6
Route shaping through preferred cities/streets	No
Stream media and Alexa responses through vehicle stereo	No
Trucking points of interest	No
Requires cellular data connection	No
Group Ride tracking	No
Built-in Spotify® & Pandora® music	
players	No
Driving performance scores	No
Removable battery	No
True Track Positioning™ (your racing line)	No
Audio line-out/headphone jack	No
Garmin Adventurous Routing™	No
Wireless ANT+® technology	No
Glove-friendly touchscreen	No
Segment analysis (racing line, speed and acceleration/deceleration)	No
Powered magnetic mount	No
Pair with compatible inReach®	No
devices	No
Image processing	No No
Session comparisons	No
Smart notifications via app	No
Elevation profile	No
Custom map support	No
Sunrise/sunset times - Trucking	No
3D Terrain	No
Compatible with Group Ride Radio	No
Truck & Trailer Services directory	No
TOPO map support	No
