Altacura Broncotuss Syrup

200ml Syrup

ALTACURA BRONCOTUSS® is a propolis and orange based syrup that has a fluidifying action that soothes and protects the body helping to boost the immune system when there are climate changes, especially during the winter months when the body must resist to all types of aggressions.

ALTACURA BRONCOTUSS® can be given to children who have difficulty swallowing tablets.

ALTACURA BRONCOTUSS® should be used as a prophylaxis by people who need to strengthen their defences e.g teachers, health care professionals, etc...

DIRECTIONS FOR USE

Children under 3 years of age: Consult your doctor or pharmacist

Children under 12 years of age: 1 teaspoon every 4-6 hours

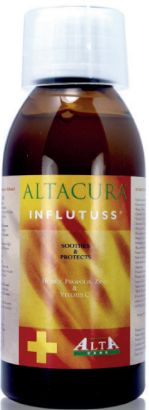

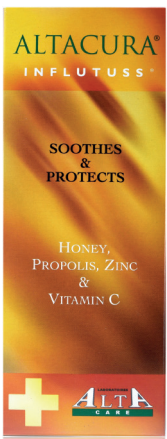

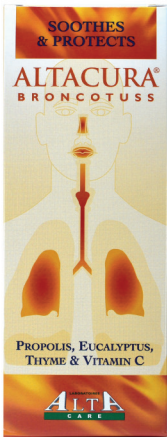

Adults: 1 tablespoon every 4-6 hours

AS A PREVENTION

Children under 3 years of age: Consult your doctor or pharmacist

Children under 12 years of age: 1 teaspoon at night

Adults: 1 tablespoon at night or as directed by your pharmacist or doctor

Altacura Ginseng

60 Capsules

ALTACURA GINSENG® soothes and protects the body by helping it boost the immune system, especially during the winter months when it has to resist to all types of

aggression. ALTACURA GINSENG® is made up of 100% pure Panax ginseng which has high quality ginsenosides that help to increase one's energy levels. Ginseng is used as a restorative and fortifying medicine of value in counteracting tiredness and weakness, as well as declining performance and the ability to concentrate.

DIRECTIONS FOR USE: 1 capsule a day preferably in the morning.

Children under 12 years of age: 1 teaspoon every 4-6 hours

Adults: 1 tablespoon every 4-6 hours

AS A PREVENTION

Children under 3 years of age: Consult your doctor or pharmacist

Children under 12 years of age: 1 teaspoon at night

Adults: 1 tablespoon at night or as directed by your pharmacist or doctor

Altacura Vapour

10 / 30 Patches

Apply the ALTACURA VAPOUR PATCH® directly to your clothes. The essential oils contained in this product gradually release vapours that produce a decongestant and antiseptic effect and a pleasant sense of freshness in the air you breath in. ALTACURA VAPOUR PATCH® can be applied on newborns and on children as directed (on clothes). ALTACURA VAPOUR PATCH® has the advantage over other vapour patches of not being messy. It is also effective on patients suffering from allergies.

DIRECTIONS FOR USE

Apply the ALTACURA VAPOUR PATCH® directly on your clothes. Preferably stick the patch chest high and on the inner part of the clothes. The essential oils contained in this product gradually release vapours that produce a decongestant effect and a pleasant sense of freshness in the surrounding air.

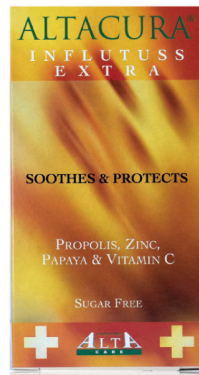

Altacura Influtuss Extra

20 Tablets

ALTACURA INFLUTUSS EXTRA® soothes and protects the body helping it boost the immune system when there are climate changes, especially during the winter months when the body must resist to all types of aggressions. ALTACURA INFLUTUSS EXTRA® can be given to children.

DIRECTIONS FOR USE

Children under 12 years of age: 1 tablet every 6-8 hours
Adults: 1 tablet every 4-6 hours. Or as directed by your pharmacist or doctor. If cold or flu symptoms persist, always consult your doctor.

Altacura Immunovira

20 Tablets

Supplement based on Vitamin C, Zinc and Echinacea. The Vitamin C and Zinc contribute to the normal function of the immune system. Echinacea boosts the natural defence of the organism.

DIRECTIONS FOR USE

Children under 12 years of age: It is advised to take 1 tablet a day with water.
Adults: It is advised to take 1 or 2 tablets a day with water.

Altacura Infludrink Hot Lemon

8 Sachets of 4g

ALTACURA INFLUDRINK® soothes and protects the body helping to boost the immune system when there are climate changes, especially during the winter months when the body must resist to all types of aggressions. Unlike other pharmaceuticals, ALTACURA INFLUDRINK HOT LEMON® can be taken in combination with aspirin, paracetamol and antibiotics.

DIRECTIONS FOR USE

Dissolve 1 sachet in a cup of hot water. 1 sachet a day or as directed by your pharmacist or doctor. If you have cold or flu symptoms that persist always consult your doctor.

Altacura Influgel Sachets

15 ml x 10 Sachets

A supplement based on: 1000mg Vitamin C and Zinc that benefit the normal and proper functioning of the immune system, Vitamin B2 that helps reducing tiredness and fatigue. Lemon, Propolis, and Honey enrich this formulation.

DIRECTIONS FOR USE

The recommended dose is 1 sachet 2-3 times daily. You can either consume the content directly from the sachet or dissolve it in a glass with warm water.
