CLUB RIDE POLICY:

We will always try our best to make sure that we provide a safe riding environment. Our goal is to ensure that all riders are grouped with other riders of similar skill. The emphasis around each session is to familiarize ourselves with the track, and to work on honing the skills to ride the track with confidence. This is not racing, and those that do not abide the rules laid out by the session leaders will be instructed to leave, and will not be invited back. Your fees will also not be reimbursed as a result. We thank you for your co-operation.

WAIVER:

I understand that all team members are required to wear a CSA approved hard shell cycling helmet, and obey all rules and regulations at all times during club riding events and sanctioned races. For the OCA portion of the membership ALL club members must register directly with the OCA, through the connection on Racer Sportif website in order to be completely affiliated with Racer Sportif / Mattamy Homes cycling club.
