- **LED lamps**
 4x 1.5W LED lamps efficiently illuminate the entire cooking surface.
- **Multi-layered micromesh filters**
 Multi-layered micromesh filters effectively trap grease. They're simple to remove and are easily maintained with a regular clean in the dishwasher.

 Full electronic controls on both sides mean the rangehood can be controlled whatever side of the island you're on.
- **Extra-wide design**
 Tempered safety glass hood with Stainless Steel body in extra wide design that is perfect for wide cooktops, like six-burner cooktops.
