Specifications

Model	Motor Watts/ Horsepower	Noise Insulation	Air Switch Included	Carton Dimensions (WxDxH mm)	Gross/Net Weight (Kg)
SEN500Q	390W/0.5HP	Yes	n/a	223 x 223 x 394	8.3/7.7
SEN500QA	390W/0.5HP	Yes	Yes	223 x 223 x 394	8.5/7.9
SEN750QA	520W/0.75HP	Yes	Yes	223 x 223 x 394	9.8/9.2

Other Features

- An extra layer of sound insulation around its body keeps noise to a minimum level;
- Intelligent motor construction allows maximum torque on start up and high speed during operation;
- Triple-sealed sink flange eliminates any under-sink leaks;
- Stainless steel swivel impellers reduce the risk of jams;
- High quality cast stainless steel grinding components are robust and efficient;
- Overload switch protects the motor if you overfeed your Scrapeater;
- Standard pipe connections fit directly onto your S&P trap, and the motor plugs directly into your under-sink power point without additional wiring
