

### Section 1: Product and Company Identification

Product Name	Marula Oil
Synonym (INCI)	Sclerocarya Birrea (Marula) Seed Oil
CAS Number	68956-68-3
Product Use	Cosmetic products
Supplier	Simply Ingredients
Address	1507 7 <sup>th</sup> Street #466, Santa Monica, CA 90401
Telephone Number	747-274-8225
Emergency Telephone Number	CHEMTREC 1-800-424-9300

### Section 2: Hazards Identification

Classification according to Regulation (EC) No 1272/2008 (CLP)	Not Classified
--	----------------

### Section 3: Composition

<u>Substance</u>	<u>Identification</u>	<u>Classification</u>	<u>Contents</u>
Sclerocarya Birrea Seed Oil	CAS 68956-68-3	None	100%

### Section 4: First Aid Measures

Inhalation	Inhalation is not a pertinent exposure route for the product due to this physical aspect and/or its composition.
Skin Contact	Liberalily bathe affected body parts with water and soap.
Eye Contact	Rinse out carefully with plenty of water.
Ingestion	If the person is conscious, rinse mouth with water. Do not induce vomiting without medical advice.

### Section 5: Fire Fighting Measures

Suitable Extinguishing Media	Extinguish with foam, carbon dioxide, dry powder.
Improper Extinguishing Media	Water.
Fire and Explosion Hazards	Keep away from open flames and sparks.
Hazardous Combustion Products	Formation of CO, CO <sub>2</sub> , acrolein and toxic fumes in case of fire.

### Section 6: Accidental Release Measures

Personal Protection Measures	Goggles, gloves.
Personal Precautions	No special precautions required.
Environmental Precautionary Measures	Avoid discharge into drinking water supplies, waste water or soil.
Cleaning Method	Small spills & residues may be absorbed with material such as cloth or sawdust, and disposed of into waste containers.

### Section 7: Handling & Storage

Handling	No special precautions required.
Safe Storage Conditions	Keep in a cool place. Store in the original full closed container to prevent over oxidation. Keep away from flames or strong oxidizers. Keep out of reach of children.
Storage Temperature	> 25°C

### Section 8: Exposure Controls & Personal Protection

Respiratory Protection	No specific recommendations.
Eye Protection	Wear goggles.

### Section 9: Physical & Chemical Properties

Appearance	Liquid
Color	Colorless to pale amber yellow
Odor	Characteristic
pH	N/A
Flash Point	> 200°C - 270°C
Solubility	Insoluble in water.
Density	0.90 – 0.93 kg/L

### Section 10: Stability & Reactivity

Reactivity	Stable under normal conditions.
Chemical Stability	The product is stable.
Possibility of Hazardous Reactions	No data / information available.
Conditions to Avoid	Open flames, sparks and strong oxidizers.
Materials to Avoid	No data / information available.
Hazardous Decomposition Products	Acrolein in air > 200°C.

### Section 11: Toxicological Information

Acute Toxicity	No known effect.
Chronic Toxicity	No potential chronic health effect needs to be considered.
Inhalation	No known effect.
Dermal Contact	No known effect.
Eye Contact	No known effect.
Ingestion	No known acute effect in normal conditions of use.
CMR Effects	Non-mutagenic.

### Section 12: Ecological Information

---

Ecotoxicity	Product is not expected to be hazardous to environment.
Biodegradability	Biodegradable
Bioaccumulative Potential	No data / information available.
Mobility	No data / information available.

### Section 13: Disposal Considerations

---

The generation of waste should be avoided or minimized wherever possible. Absorb the oil with material such as cloth, paper or sawdust and throw it in an appropriate waste bin. Disposal in nature is forbidden. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation.

### Section 14: Transport Information

---

Not a dangerous product. Not classified in ADR (road), RID (rail), IMDG (sea), ICAO/IATA (air).

### Section 15: Regulatory Information

---

Proposition 65: N/A – no ingredients regulated by Proposition 65 present.

### Section 16: Other Information

---

Review Date: June 15, 2021

All information appearing herein is based on information supplied by the manufacturer of the ingredient. Simply Ingredients makes no representations to its accuracy or sufficiency. Please refer to all relevant technical information specific to the ingredient prior to use. The user of this ingredient is responsible for understanding the safety instructions for each ingredient, including how to store and handle the ingredient in use and in formulation. The user is also responsible for understanding any regulatory restrictions by governmental or third-party agencies, including proper usage, formulation, labeling, marketing and sale. Simply Ingredients is not liable for any issues that arise from improper handling and storage of any ingredients.
