-  Green Garden Golds Joint Formula Benefits:
-  Our Panidiol Joint Formula features a combination of hemp extract with naturally occurring CBD, Cissus Quadrangularis, Methylsulfonylmethane (MSM), Glucosamine, and Chondroitin.
-  We encourage you to do research on the other amazing ingredients within this patented designer formula.
-  Green Garden Gold adds CBD CO2 extracted from naturally grown, organic hemp plants from Colorado.
-  Our CBD oil products are more than simply CBD, they have CBD plus other naturally-occurring phytocannabinoids, terpenes, flavonoids and more, ensuring you receive the full entourage effect.
-  With our supercritical CO2 extraction techniques and quality control through FDA registered facilities and third party lab testing, you can rest assured that you are getting the purest, most natural CBD products.
