

CONCENTRATED DEGREASER

CONCENTRATED DEGREASER

CUTS THROUGH THE TOUGHEST GREASE, GRIME, & OIL

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

ProCoat® ProCare® Concentrated Degreaser is formulated to exhibit the strongest degreasing action using cationic technology. This industrial-strength waterborne formula is highly concentrated and will effectively cut the toughest of grease, grime, and oil at the dilution that suits whatever task you have at hand.

PRODUCT FEATURES

- Multi-Surface
- Fast Acting Formula
- Low Odor
- Biodegradable
- Destroys Grease, Grime, & Oil

PRODUCT USES

- Heavy Equipment
- Automotive Parts, Tools, & Floors
- Industrial Plants
- Oil/Gas Drilling Rigs
- Parking Garages
- Commercial Appliances
- Metal, Concrete, Masonry, & More

PACKAGING

- 1-Gallon Jug = Makes up to 30 gallons.

TYPICAL PROPERTIES

COLOR	Clear, Green Liquid
SOLIDS CONTENT	< 1%
pH	7.5
WEIGHT/GALLON	8.00 lbs/gal
FLASH POINT	>200°F (93°C)
ODOR	Citrus
CLEAN UP	Water
COVERAGE RATE	< 5,000 square feet/32 ounces
APPLICATION	Mop (Terry Cloth or Microfiber)
SHELF LIFE	1 year, unopened

PRODUCT DILUTION

Dilute ProCare® Concentrated Degreaser with water to desired strength.

	EXTREME	HEAVY DUTY	STRONG	NORMAL
FULL STRENGTH		10:1	20:1	30:1

CONCENTRATED DEGREASER

CONCENTRATED DEGREASER

PREPARATION

Test all surfaces with ProCare® Concentrated Degreaser at proper dilution strength in a small inconspicuous area to ensure compatibility. Rinse the area and allow it to fully dry to determine results. Depending on contamination, some tools may be needed for proper removal. Ideal to use a garden hose with a spray nozzle, pressure washer, stiff bristle brushes or brooms. Always wear proper eye, skin, and respiratory protection.

APPLICATION PROCEDURES

1. Remove loose dirt, debris, and heavy buildups.
2. Apply ProCare® Concentrated Degreaser at desired strength liberally. If spraying, do not atomize.
3. Let solution dwell for 1-5 minutes.
4. Water rinse thoroughly. Pressure rinsing improves cleaning efficiency.
5. Repeat application until all residue is removed to satisfaction.

PREVENTION & RESPONSE

Wash hands thoroughly. Wear protective gloves as well as eye and face protection. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so - continue rinsing. Immediately call a poison center, doctor or physician. If on skin: Wash with plenty of water and mild soap if available. Take off contaminated clothing and wash before reuse. If skin irritation occurs: seek medical advice or attention.

WARRANTY

If ProCoat® products are proved defective, the user's exclusive remedy will be at ProCoat's® option to replace the defective ProCoat® products or to refund the purchase price for the defective quantity. Except for the replacement or refund remedies, ProCoat® is not liable for direct damages or liable for indirect, incidental or consequential damages, regardless of the legal theory asserted, including negligence and strict liability.
