# SILKBUSH

THE MOUNTAIN VINEYARDS

## Silkbush Chenin blanc 2022 Winemakers Selection

### Winemaker Notes

Our Winemakers Selection range focus on the selection of small batches of grapes from specific blocks, carefully vinified by the winemaker to create cultivar- and terroir specific wines. A celebration of the diversity our treasured mountain gives out in abundance year after year. Grown on the lower slopes of our vineyard in the shadow of Silkbush Peak

### What's in the name

Silkbush Mountain Vineyards hails its name from the Sybasberg (Afrikaans for Silkbush Mountain), one of the highest peaks above our vineyards. Sybasberg by its turn gets its name from the Sybasboom (Silkbush) that grows in isolated corners of our mountain. The Silkbush leaves, when torn, produces silky threads of latex – hence it's name. Just as special and unique as the Silkbush is, so is our soils, slopes and vineyards. This is manifested in our wines – you can taste the unique mountain terroir.

### Tasting Notes

A fresh and fruity Chenin blanc makes this the ideal summer patio wine. Best served chilled. Guava, kiwi, melon on the nose compliments the zesty fruitiness of pineapples and winter melon on the pallet. A nice round mouthfeel and crispy finish.

### Food pairing

The many layers of Chenin blanc makes the for perfect companion to white fish, salads, cheese platters and even mild seafood.
