

## **Intensified Facial Moisturizer**

### **Indications:**

- To help soften and re-hydrate dry, mature skin.

### **Key Features:**

- Re-hydrates upper layers of the epidermis.
- Acts as a humectant to help retain more moisture.
- Repeated use will help the skin look and feel smoother and softer.
- Works well for mature skin needing enriched moisturizers.
- Excellent as a night cream.

### **Directions:**

- Cleanse face and neck with a gentle to mild cleanser
- Apply to damp or slightly moist skin.
- May be used day or night, without makeup.

### **Warnings:**

- For external use only.
- Keep out of reach of small children.
- Does not work well with makeup
- Avoid contact with the eyes.
- If irritation develops, discontinue use.
