CREATED FOR YOU

Specifically formulated to support people living with chronic illness, Vitassium provides sodium and potassium to help manage symptoms of Postural Orthostatic Tachycardia Syndrome (POTS), Ehlers Danlos Syndrome (EDS), Vasovagal Syncope, and other chronic conditions.

CAPSULES

FASTCHEWS[®]

DRINKMIX

Available in tasteless capsules, delicious, chewable tablets, or ready-to-mix powder, Vitassium helps to maintain electrolyte levels, to support healthy blood pressure, and to reduce fatigue and dizziness due to low blood pressure. Vitassium is easy on the stomach and a convenient way to get the sodium you need.

FastChews Flavors Fruit Punch or Grape available in 60-ct bottle and 10-ct packets, DrinkMix Flavors Pink Lemonade or Fruit Punch available in 35-serving tubs and 12-ct stick pack cartons.

FREQUENTLY ASKED QUESTIONS

How much Vitassium® should I consume?

Every person will have a different “ideal” usage and dosage, and your doctor can provide guidance around how much may work best for you. In general, we recommend 1-2 capsules OR 1 serving of DrinkMix, 3-4 times a day. FastChews can provide a rapid boost of sodium when needed, or when on the go.
