Having the hardest time staying consistent since my original gym went bankrupt and closed its doors. This new gym is nice and clean. It has new equipment but I'm just not feeling it. I love the old hammer strength machines that often squeak from overuse. I love seeing people jamming to their music in-between sets. This gym might be too bougie for me... after all I'm still a lil hood 😂😂😂 I'm on a search for another gym-home 🏋️♀️?😊 1080
