|--|----------------------------|--------------------------------|------------|
| Order number | 1688144 | Throughput capacity per hour | 101 kg |
| EAN Code | 4026631025089 | Noise level (idle operation) | 58 dB |
| Shredder material | | eclass 5.1 | 24320704 |
| Cutting type | particle cut | UN/SPSC | 44101603 |
| Security level (DIN 66399) | P-5 O-4 T-5 E-4 F-2 | Power consumption of the motor | 2200,0 W |
| Security level (DIN 32757-1) | 4 | Voltage | 400 V |
| Cutting width | 2,00 mm | Frequency | 50 Hz |
| Particle length | 15,00 mm | Depth | 665,0 mm |
| Cutting capacity (80g/m ²) | 28 - 32 sheets | Width | 750,0 mm |
| Cutting capacity (70g/m ²) | 35 - 40 sheets | Height | 1460,0 mm |
| Intake width | 443,0 mm | Weight | 220,0 kg |
| Container volume | 290,0 l | Colour | light grey |
| Cutting speed | 218,0 mm/s | | |

Technical and design modifications reserved.

This powerful industrial shredder for three-phase power supply ensures data security in archives or as a central point for document shredding. Thanks to the integrated rollers and compact size, the industrial shredder can be easily set up at the installation site and saves space. Its induction-hardened solid steel cutting rollers are low on wear, resistant and guarantee long service life. Just like the powerful and energy-efficient motor with chain drive. It guarantees reliable operation with maximum throughput – even during continuous operation. The keypad with LED display enables you to easily operate the industrial shredder and view the operating state. An integrated light barrier starts the device automatically and switches it off again after the paper feed ends. The automatic reverse rectifies paper jams and ensures smooth operation. You can fold out a practical storage space on the industrial shredder for stacks of paper or lists. The large filling hopper with loading aid makes loading convenient, for example with crumpled paper. Using the detachable collection trolley makes removing shredded material simple. The high-quality materials and proven quality “Made in Germany” guarantee you security and long service life.
