PARIS - FRANCE

Bonjour! I'm Mathilde, Parisian, and owner of the boutique [French Address](#). I'm super pumped that you downloaded one of my French gift tags designs. Here is a quick step-by-step process (just in case!):

Step 1

Get your printer ready with A4 paper, ideally thick luxe matte paper.

Step 2

Print the page 2 of this document, as many times as you need (there are 10 gift tags on the page).

Step 3

Cut out the gift tags, then use your hole puncher and insert a nice ribbon.

Et voilà!
