## 36 Slot Classroom Portfolio File

**S336**

Trojan Classroom Furniture's 36 Slot Classroom Portfolio File is a particularly useful addition to any daycare, kindergarten, or classroom setting. Its design provides a convenient and organized solution for sorting, storing and distributing papers.

Manage the shelves yourself or give children a sense of ownership by assigning them their own shelves.

With the included 2" casters enabling easy movement between rooms, it can sort and distribute well beyond the classroom.

Simplify paper management, save time, and stay organized with Trojan's Classroom Mailbox.
