

For Trojan Classroom Furniture, playing outdoors means time to forget the world around you in a safe and hazard-free environment. This is especially true for children, who shouldn't have to worry about wood splinters or sharp edges. Trojan's line of Outdoor Furniture features:

High Density Recycled Plastic - indestructible in the outdoors and good for the environment

Safe Edging - all corners are rounded, soft-edged and splinter free designs

Easy Assembly - when necessary, assembly of all products is well illustrated and easy to perform

Collaborative, Sensory Play - encourages collaboration, creation and physics discovery

Outdoor Mud Tables	Part No.	L	W	Ht	lbs
End Table	M190	60	30	12	160
Flow Table: Lowest	M191	60	30	16/20	170
Flow Table: Middle	M192	60	30	25/29	183
Flow Table: Highest	M193	60	30	32/36	196

Kids love playing with sand and water but when you mix this combination with wood, the fun doesn't last for long. Trojan Mud Tables can't weather, splinter or rot. What's more, our tables are easy to assemble and have endless combinations. Play in mud with a system!

- Elements are available individually
- Few individual parts
- Permanent playing fun
- Do not contain preservatives
- Delivered as a kit
- Legs should be embedded in the ground. Height is measured from the top of soil.

Sandboxes	Part No.	L	W	Ht	lbs
Small Square (green+brown)	F140	48	48	12	156
Large Square (green+brown)	F145	95	95	12	313
