

## Book Rack with Top Storage

S328 front

S328 rear

Our largest Book Rack, the S328 comes with storage on all sides for your convenience. The rear shelves are 7.25" deep for ample additional storage. The top compartments are 6" deep and split into 3 sections - great for all your smallest books. All our Book Racks are attractive to children and encourage them to explore and read.

This Book Rack is mounted on 2" casters and moves easily from room to room. Made from sustainably sourced Baltic birch - an extremely durable engineered wood - it is finished with a UV resistant coating that's easy to clean. Made in Canada. FSC certified.
