

## Adjustable Hinged Shelving Units

S350/9 shown

Trojan Adjustable Hinged Shelving Units are made from sustainably sourced Baltic birch - a timeless, extremely durable, engineered wood. These units are rugged and easily adjusted. They come in two heights and two depths, with shelf holes every 1.25”.

All units are delivered fully assembled, just install the hinges or clasps as necessary. All supplied hardware uses pre-drilled holes, for perfect alignment.

Finished with a UV resistant coating, units are easy to clean and keep hygienic. Made in Canada. FSC certified.

Indestructible hinges have pre-drilled guides.

Lockable clasps join the unit halves.

Adjustable Hinged Shelving Units	Part No.	Length	Width	Height	Lbs
Tall Narrow Hinged Shelf Units	S350/9	96”	12”	34”	114
Tall Deep Hinged Shelf Units	S351/9	96”	15”	34”	142
