

## Corner Block Shelf Units

These units make full use of inefficient corners or help to partition sections of your classroom space. Match them up with other Block Shelf Units of the same number for identical widths and heights (i.e. S361 & S361C). They come in two heights and two depths and move easily from room to room on non-marking, lockable casters. May be hinged with other S360 units.

Each unit is made from sustainably sourced Baltic birch - an extremely durable engineered wood - which is easy to clean and keep hygienic.

Comes fully assembled. Made in Canada. FSC certified.

Corner Units align with partner S360 Series shelves.

Rounded corners

2" lockable casters

Corner Block Shelf Units	Part No.	Length	Width	Height	Lbs
Tall Narrow Corner Storage	S360C	35"	12"	38"	60
Tall Deep Corner Storage	S361C	43"	15"	38"	75
Low Narrow Corner Storage	S365C	35"	12"	26"	50
Low Deep Corner Storage	S366C	43"	15"	26"	60

### Associated Items

Trojan's S360 Block Shelf Units come in identical widths and heights to the corner units listed here, making for a seamless continuation of coordinated furniture. (S360 Series Data Sheet)
