

3/4/5 Section Coat Cubbies

Trojan Coat Cubbies are an industry standard for the classroom - they are easily installed and durable. Reduce clutter with storage shelves above and below the seating area. Double-hook coat hangers and wood bolt construction make this an injury free and rugged unit.

All Trojan Coat Cubbies are made with rounded corners to keep kids safe. Made from sustainably sourced Baltic birch, a timeless, extremely durable, engineered wood, they are warranted for 5 years.

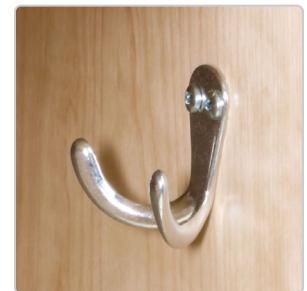

Ships fully assembled. Made in Canada. FSC certified.

Multiple cubby units fit together perfectly
