

Universal Coat Cubby Corner

These units make full use of inefficient corners or help to partition sections of your classroom space. Match them with Trojan Coat Cubby Sections (S395, S394, S395-3). Installed with safety rounded, double hooked coat hangers for back packs, jackets and more. Top cubbies are excellent for parents' papers or additional child items.

Each unit is made from sustainably sourced Baltic birch - an extremely durable engineered wood - which is easy to clean and keep hygienic.

Comes fully assembled. Made in Canada. FSC certified.
