

Diaper Shelves

Trojan Diaper Shelves come in multiple configurations to best suit your available space. They pair well in function and feel with our Change Table (S397). Plenty of room for diapers and nappies. Each unit comes with a wooden wall mount (mounting hardware not incl.)

Each unit is made from sustainably sourced Baltic birch and finished with our UV resistant coating. Units are therefore easy to clean and keep hygienic.

Ships fully assembled. Made in Canada. FSC certified.
