June Beauty Thrills: The Must-Have Buys Our Beauty Editor Swears By

From new brands to know and must-have serums, to Chanel nail stickers and calming scents, these are the products and brands to have on your radar.

3.

Rosehip Oil, £45

NATURAL AFRICA

I love being introduced to new hardworking skincare brands which respect and support the natural resources that they are harvested from, like Natural Africa do. I've quickly fallen for this highly concentrated, 100% plant-based oil which is the real deal. It smells like a bed of roses, it's grease-free, super light and absorbs in seconds. My skin literally glows for hours.
