

### Product Description

All Sunbelly Privacy Screen products are made from UV-enhanced powder coated aluminum and are rust and maintenance free. The posts are welded for extra strength, and screens are laser-cut for perfect precision.

Create shade on your deck, give yourself some privacy from your neighbor, or add visual interest to a landscaping project. Sunbelly's one-of-a-kind aluminum privacy panels will add style & function to your private getaway. Sunbelly Privacy Screens are ideal for decks, porches, restaurant patios, as office partitions, room dividers, and more.

### Materials

Laser-cut powder coated aluminum

Fire and Smoke Rating: Fireproof

### Limitations

Sunbelly Privacy Screens do not add to the structural load bearing capacity of the substrate to which it is being applied. All products have been designed to provide privacy and/or a partition only.

### Applications

## Warranty

### A. LIMITED LIFETIME WARRANTY TO ORIGINAL PURCHASER ONLY

Subject to the terms, conditions, and limitations stated herein, Sunbelly Screens ("Sunbelly") provides this limited lifetime warranty exclusively to the original purchaser (the "**Original Purchaser**") of its aluminum privacy screen systems, including, but not limited to, screens, posts, brackets, and mounting accessories (the "**Product**").

Sunbelly warrants that the Product will remain structurally sound and materially free from manufacturing defects that would impair performance or substantially alter the appearance under normal residential or commercial use. This Warranty applies for the lifetime of the Product from the date of original purchase and is non-transferable.
