

DARK IN COLOR,

OUR FORMULA IS PACKED WITH NOURISHING INGREDIENTS

Switch out your face wash in the shower for our 3 in 1 Intensive Cleanser for a life-changing experience! This super charged product is packed with high quality ingredients that promote youthful, flawless skin. Now you no longer need dedicated time or those “extras” such as separate exfoliators or masks. You can get ready in a split second!

Our formula cleanses, detoxifies and resurfaces your skin, replacing the need for harsh exfoliators. Infused with Kale, Charcoal, Collagen, Stem Cell and Vitamin E, we provide a blissful and effective self-care experience for all skin types.

KEY BENEFITS:

- **CLEANS AND DETOXIFIES** removing unwanted toxins, dirt, pollution and bacteria from your pores. Seamlessly washes away makeup. A great pore minimizer that restores your skin. Added bonus: removes makeup!
- **REVITALIZES** your skin, leaving it soft and supple. Leaves a refreshed feeling. Enhances skin texture and radiance, promoting a youthful glow. Fights against premature aging.
- **EXFOLIATES** gently, soothing off dead skin cells, excess dirt, oil and impurities from your skin. Soothes and helps to reduce the appearance of problem skin.

CLEAN SKINCARE

3 in 1 Intensive Cleanser

OUR SUPER-CHARGED INGREDIENTS

KALE OIL:

- **SUPERFOOD**, one of the richest sources of Vitamin C
- Contains strong antioxidant and anti-inflammatory properties
- Helps to detoxify and protect your skin while promoting healthy skin

VEGETABLE COLLAGEN:

- Plant derived collagen that helps to hydrate and condition the skin

APPLE STEM CELL:

- Rare, exotic ingredient; based on the stem cells of a rare Swiss apple
- Protects and increases the vitality of skin stem cells
- Fights against premature aging

VITAMIN E:

- Excellent antioxidant with good moisturization properties
- Helps to repair damage cells, which may include problem skin, inflammation, dryness or scars
- Helps soften the appearance of wrinkles, and premature aging

ACTIVATED CHARCOAL

- Antibacterial and Antifungal. Activated charcoal has been proven to be a major player in kicking yucky stuff to the curb
- Deep Pore Cleansing. This amazing ingredient provides deep pore cleaning due to its major adsorbing properties
- Oil-Balancing with gentle exfoliation
