1. Cut a 20" length of cord and loop around dowel. This will be the "center cord."

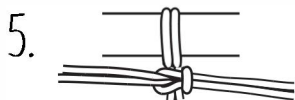

2. Cut 30 pieces of cord, 8" each. Fold one piece of cord in half and lay folded piece under center cord.

3. Fold another piece of cord in half and place folded end in loop of first cord.

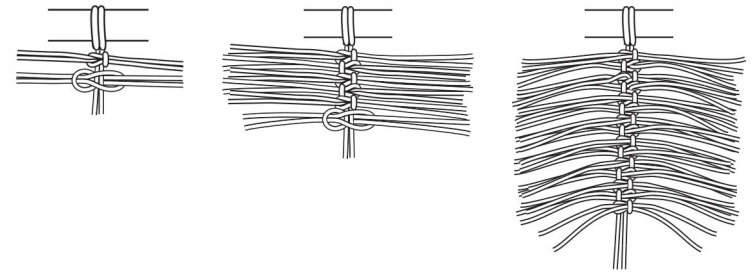

4. Pull the folded end of second cord through the loop of the first. Pass the ends of the first cord through the folded end of the second cord to form the knot.

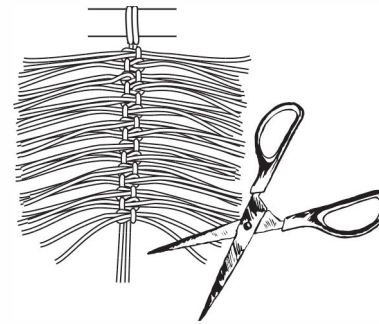

5. Push up knot snug against the dowel and tighten.

6. Repeat until all cords are used

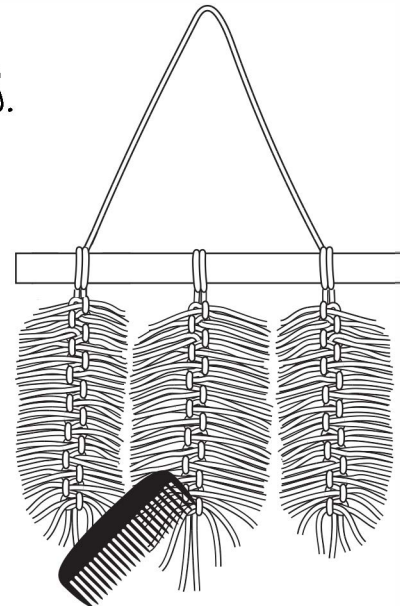

7.

Trim away ends to create feather shape.

8.

Repeat steps to make remaining 2 feathers. Use comb to make cord neat.

Cut length of cord and tie to wood dowel to hang.
