INSTRUCTIONS

1.

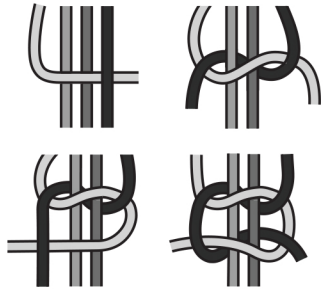

Wrap approximately 48yds of cord firmly around the hoop. Tie a simple knot to secure.

2.

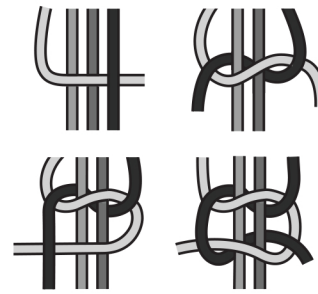

Cut 14 lengths of cord, 2yds each. Tie each in a Lark's Knot across the top of the loop.

3.

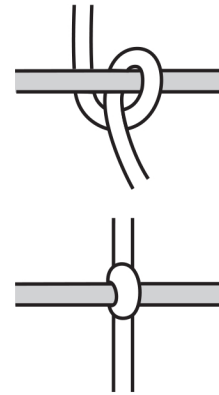

Using 2 pairs of cord each, tie 7 Square Knots across the top of the hoop.

4.

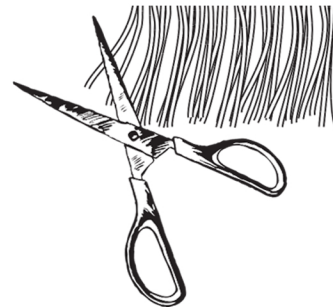

Moving one pair of cords over each row, tie 6 rows of square knots creating a pattern of 6-5-4-3-2-1 knots and forming a triangle shape.

5.

Pull each cord tight and tie into a Single Half Hitch Knot along the bottom of the hoop.

6.

Tie a length of cord to ring for hanging and trim away any excess cord, as desired.
