

We're growing and seeking 1 hard-working, curious person to join our current team at our Oxford, MS location.

This role is a great fit for anyone curious about earthworms, biology/science, soil health, composting, or the environment.

The role comes with an opportunity to take on more responsibility (with increased pay) as the company grows.

You'll have the opportunity to work directly with our owner team and learn all areas of our business, with the primary responsibilities including:

- * Helping with all worm-related activities
- * Feedstock, bedding, and watering worm beds
- * Assisting with composting and worm casting activities
- * General day-to-day care for the worms

This role requires hands-on work (e.g., some light lifting, being on your feet, etc) and a willingness to get your hands dirty.

Other details:

Location: Oxford off of CR 202

Starting Compensation: \$14/hour

Hours: Flexible but looking for help on Mon-Fri (no weekend help needed unfortunately). We're happy to arrange your hours around other commitments (work, school, etc).

Hiring Timing: Feb 2024

For consideration, please reach out to chip@brotherswormfarm.com with:

- 1) your resume or work experience,
- 2) # of weekly hours desired and general Mon-Fri availability

Thank you!
The Brothers
