

## JK WINDSHIELD LIGHT BAR MOUNTS

Thank you for purchasing Poison Spyder Customs Windshield LED Light Bar Mounts for your Jeep. This kit is easy to install with the right tools and good mechanical abilities. If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through these entire instructions before proceeding with installation.

**IMPORTANT:** These instructions pertain to the physical installation of the mounts and the light bar only—installation of switches and electrical connections are beyond the scope of these instructions. Please consult the documentation provided by the light bar and/or wiring harness manufacturer for instructions on completing the electrical connections.

This product is designed for use with Rigid Industries E-Series or SR-Series 50" LED Light Bars ONLY. Use with other brands or models of light bar is not recommended, tech-supported or warranted by Poison Spyder Customs, Inc.

### **PARTS LIST**

Please check your packages immediately upon arrival to ensure that everything listed is included, and to check for damage during shipping. If anything is missing or damaged, call Poison Spyder at (951) 849-5911 as soon as possible.

- (1) JK Windshield Light Bar Mount, Driver
- (1) JK Windshield Light Bar Mount, Passenger
- (1) JK Windshield Light Bar Mount Rubber Liner, Driver
- (1) JK Windshield Light Bar Mount Rubber Liner, Passenger

### **TOOLS NEEDED**

- Paint and paint supplies (if painting)
- T40 Torx key or socket and ratchet

### **BEFORE YOU BEGIN**

The Windshield Light Bar Mounts are shipped un-painted. Before you paint or powder coat, perform the entire installation of the product to ensure that it fits without risking damage to your paint or powder coat finish. Poison Spyder Customs is not responsible for paint or powder coat costs in the event you damage the finish during installation, or that the parts are incorrect or defective.

You will want to paint or powder-coat these components prior to FINAL installation. If painting them yourself, we recommend starting with a quality etching primer and allowing sufficient cure/dry time between coats and before you apply color. Quality spray-can paints are fine if properly applied. A little extra time and attention to detail on your preparation and paint process will pay off in longer-lasting good looks and rust prevention.

### **INSTALLATION PROCEDURE**

1. **Park vehicle on a level** surface and set the emergency brake. You will want to wear eye protection beyond this point.
2. **Working with one side at a time**, begin by using a T40 Torx key or socket and ratchet to remove five of the six OE lower windshield brace bolts. Leave the lowest one of the four bolts along the side in place.
3. **Fit the Rubber Liner** to the inside surface of the Light Bar Mount, aligning the holes in

each piece, then place the Light Bar Mount and Rubber Liner against the windshield.

4. **re-install five OE fasteners through** the holes in the Light Bar Mount and Rubber Liner, into the corresponding threaded holes in the windshield brace. Leave the fasteners loose until all five are started.
5. **Tighten the fasteners while ensuring** the Rubber Liner stays correctly aligned underneath the Light Bar Mount.
6. **Repeat steps 2 through 5** for the remaining side.
7. **Install the Rigid Industries E-Series** or SR-Series 50" LED Light bar on to the Light Bar Mounts. Note that the mounting hole on one of the light bars is slotted. Insert the threaded stud on the end of the light bar into the non-slotted hole first, then slide the stud on the opposite end of the light bar into the slotted hole. Tighten the two retaining nuts on each end of the light bar.

*Congratulations, you have completed installation of your Poison Spyder Windshield Light Bar Mounts. Continue with wiring of your light bar according to the manufacturer's documentation for the light bar and/or your wiring/switch setup.*

**INSTALLATION INSTRUCTIONS**

**WARRANTY**

*Poison Spyder Customs™ warranties all of the products we sell and distribute for one (1) year from the date of sale. These products will be free from defects in material and workmanship under normal installation, and use. Due to the intended use the powder coat finish is warranted for ninety (90) days. The finish warranty will not cover a product if it has been damaged in any way. Warranty is limited to repair or replacement. Poison Spyder Customs™ does not offer any type of labor or shipping allowance and all warranty claims are subject to inspection by Poison Spyder Customs™.*

*At the discretion of Poison Spyder Customs™, the products in question can be repaired or replaced when found defective. Prior to any replacement or repair, written authorization must be obtained from Poison Spyder Customs™. Failure to contact us prior to having warranty work preformed will immediately void all applicable warranties; and it is then the sole responsibility of the customer to remit any payment incurred.*

*The warranty expressed above is the sole warranty of Poison Spyder Customs™, and any other expressed or implied warranties are hereby specifically excluded and disclaimed.*

**HOLD HARMLESS AGREEMENT**

1. In purchasing a Poison Spyder Customs Product™ I release, waive, discharge and covenant not to sue Poison Spyder Customs officers, servants, agents, or employees (hereinafter referred to as Releasees) from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by me (or anyone else), any property belonging to me (or anyone else), whether caused by the negligence of the releasees or otherwise, while working on, using or any activity related to this product.

2. I am fully aware of risks and hazards connected with the use of a this product and I elect to voluntarily engage in such use of this product knowing that the use may be hazardous to me and my property. I voluntarily assume full responsibility for any risks of loss, property damage or personal injury, including death, that may be sustained by me (or anyone else), or

any loss or damage to property owned by me (or anyone else), as a result of using this product, whether caused by the negligence of releasees or otherwise.

3. I further agree to indemnify and hold harmless the releasees from any loss, liability, damage or costs, including court cost and attorney fees, that they may incur due to my use of a this product, whether caused by negligence of releasees or otherwise.

4. It is my express intent that this Release and Hold Harmless Agreement shall bind the members of my family and spouse, if I am alive, and my heirs assigns and personal representative, if I am deceased, and shall be deemed as a release, waiver, discharge, and covenant not to sue the above named releasees. I further agree that this Waiver of Liability and Hold Harmless Agreement shall be construed in accordance with the laws of the State of California.

*By accepting this product, I acknowledge and represent that I have read the above Waiver and Liability and Hold Harmless Agreement, understand it and accept it voluntarily as my own free act and deed; no oral presentations, statements, or inducements, apart from the foregoing written agreement, have been made; I am at least eighteen (18) years of age and fully competent; and I execute this Release for full, adequate and complete consideration fully intending to be bound by same.*

*If you do not agree with the preceding Hold Harmless Agreement, you may return the product and receive a full refund. Please, contact a Poison Spyder Customs™ sales representative and they will issue a call tag for the product in question. Once the product has been received by Poison Spyder Customs™ a full refund will be issued.*
