Be a part of the action... Be topless on the 18th February!

Double Black Offroad 4x4 Club will be conducting a Go Topless Day on the 18th of February in a campaign to raise awareness and funds for the Australian Food Allergy Foundation. All participating Jeeps will have their Doors and/or Roofs off, driving in convoy from Como Park north, 355 Williams Rd, South Yarra.

The Cause

Thousands worldwide are affected by food allergies and many have passed away due to their allergies. My own son for example is allergic to all Nuts, Dairy, Egg, Fish and Seeds... just to name a few. A simple kiss on the cheek of my son could lead to a major reaction if someone has eaten or come into contact with something he is allergic to.

Our aim is to raise money, which will go directly to research and education by the Australian Food Allergy Foundation www.foodallergy.org.au

Entry to participate is restricted to 100 Jeeps, due to convoy logistics.

- **Time-** Commencing at 10am, aim to finish approx 2pm
- **Where-** Como Park north, 355 Williams Rd, South Yarra, 3241.
- **Phone-** 03 9553 0744

Social

For updates follow our Facebook page and our instagram @dborjeepgotopless

On the day

There will be prizes, raffles and an auction, so bring your money for your chance to snap up some cheap jeep goodies!

There will also be a Show n Shine competition so give that Jeep a tub!!!

Auction items include a Smittybilt roof top tent, Gobi Roof rack and a Teraflex HD Hinged Carrier!!!

Pack a picnic lunch, or buy from the food trucks at Como Park, as it is the perfect spot to be topless and talk JEEP!

A big thanks to our sponsors, for making this day possible.
