ELENA AB GALLERY 6-9pm

185 CHURCH STREET, TRIBECA

Elena Ab Gallery at 185 Church street in Tribeca presents a Retrospective show spanning 3 decades of Linus Coraggio's abstract and representational work in Sculpture, Paintings and prints.

Linus Coraggio, a New York City native, is one of the pioneers of the early 1980's street art movement; Art In America credited him with inventing a genre of street art called 3-D graffiti. He founded **the Gas Station, at East 2nd and B, and is cofounder of the "Rivington School"** (both seminal downtown epicenters of art activity and sprawling sculptural installation in the 80's and 90's). He is an artist of great import with a loyal, base of passionate collectors and is seen in numerous parts of the city of NYC and the World. As a contemporary of **Baquiart, Futura 2000, George Condo (sculptures), Rammellzee, Willie Cole, John Chamberlain, and Mark Di Suvero**, his work confounds, and fascinates with it's exacting intricacies and an only- NYC- downtown punk rock *sensibility*. Party with us for our Mayhem in May opening, "Why miss it"?
