## MIXING STYLE AND COMFORT

Step out onto terraces and balconies in style and comfort, with our easy-to-lay outdoor flooring.

Want an instant way to upgrade any outdoor space and create an area for lounging and dining? And when monsoon weather sends you indoors, want an easy way to disassemble and store your deckings?

## COMCIA

Quickly build any unique outdoor living space by simply snapping the deck tiles together with no nails or glue.

Interlocking Deck Tiles are an innovative product designed to be used by anyone, from a beginning do-it-yourselfer to builders looking for a beautiful, easy to install wood deck.

Interlocking wood deck tiles instantly provide a solid hardwood deck surface on patios, balconies, next to a pool or spa, or even in kitchen and bathroom areas. Most decks can be easily installed in a couple of hours.
