

INTERNATIONAL RETURNS

We are happy to receive items sent back to us within 30 days of receiving them. They just need to be in their original condition with the tags still attached. Please ensure that the products are well packaged and protected from damage in transit.

We only offer refunds for returned orders. If you are looking for an exchange, simply return your order for a refund and place a new order. You can contact customer service for a free shipping voucher to use with your new exchange order (support@saysky.dk).

SAYSKY does not pay for the return shipping, unless the order was incorrect or faulty, in which case we will provide a free return label.

Please complete and enclose this form with your returned goods.
