

Product Datasheet

Anti-Centromere Protein Antibody

Overview

Catalog #	15-234 (100 μ L size)
Conjugate	Unconjugated
Concentration	Lot dependent
Host Species	Human Polyclonal
Format	Antisera
Buffer	1% BSA, 1X PBS pH 7.4, 0.1% sodium azide.
Applications	ICC, IHC
Species Reactivity	Bovine, Hamster, Human, Lizard, Mouse, Non-Human Primate, Pig, and Rat
Immunogen	Anti-Centromere Antibodies (derived from human CREST patient serum) are useful as controls in ANA diagnostics and also react with other species including mouse, rat, and hamster.
Molecular Weight	n/a
Cite this Antibody	Antibodies Inc Cat# 15-234, RRID: AB_2939058

Images

Above: A microscopy image of a cell from BJ hTERT cell line treated with aphidicolin to induce genomic instability. Immunolabeling of the cell positively labelling CREST/Centromere Protein (red, 1:500, Cat No. 15-234) and labelling DNA with DAPI. Image kindly provided by Nadeem Shaikh and Sarah McClelland from Barts Cancer Institute, Queen Mary University of London.

Right: Representative images of the morphology of K-M attachments in MI oocytes from both control and BBP-exposed group. α -tubulin (gray); CREST (cat. 15-234, 1:200; red); DNA (blue). Image from publication CC-BY-4.0. PMID: 36756972

Details

Target Description	Centromere proteins CENPA/B/C are frequent autoantigens in CREST patients
Specificity	No cross-reactivity reported
Purification Method	CREST patient sera diluted in storage buffer
Quality Control Tests	Product was tested at a series of dilutions by immunocytochemistry on ethanol-fixed Hep2 cells that were in log-phase growth. The staining pattern obtained was consistent with the pattern expected for anti-centromere staining.
Storage	Aliquot and store at $\leq -20^{\circ}\text{C}$ for long term storage. For short term storage, store at $2-8^{\circ}\text{C}$.

Our Guarantee

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
